

ROYAL RANGERS INTERNATIONAL

F.A.Q.

The RRI Cabinet is a special missions-minded group comprised of church and business leaders with a shared passion to reach the next generation around the world. Our purpose is to empower the RRI team with abundant finance to establish, strengthen, and serve Royal Rangers in every nation. It is our honor to invite you to join this elite group. The following FAQ addresses the questions we most often receive from new members:

What is expected of RRI Cabinet members?

Cabinet members are asked to commit \$5,000 or more per year to RRI projects.

How often and where does the Cabinet meet?

The Cabinet meets once a year, usually in late September. The location rotates to a new and exciting destination each year.

How long are meetings?

Meetings are a day and a half long and facilitate time for reports, fellowship, fun, networking with likeminded leaders, and rest. Members arrive on a Thursday anytime before dinner and return home Saturday morning.

What takes place at a meeting?

Members arrive on a Thursday, settle into their accommodations, enjoy dinner on their own, and attend the welcome reception in the hotel in the early evening.

The opening is followed by a one-hour live-streamed event that draws the participation of Rangers from nations around the world. A dessert social follows in which members of the RRI team present projects.

The following morning members connect with one another as they enjoy activities the destination has to offer. In the afternoon members can explore, rest, or catch up on business. The capstone of the day is the dinner banquet where pledges are received.

(A detailed schedule is provided to each member in advance of the meeting.)

Is attendance at the annual meeting required?

Yes. If for some reason you are unable to attend, please arrange to send a designee in your place and/or join us live online. *(Inquire for details.)*

Can I arrive early or stay late to explore on my own? May my spouse join me?

Yes, absolutely.

What expenses for attending am I responsible for?

Members cover their own travel and incidentals to and from the meeting. RRI provides two nights lodging (Thursday and Friday nights), and all meals and entertainment on Friday.

When are pledges due?

Pledges are made in September of each year (at the annual Cabinet meeting) and project funds are due anytime before the next September meeting.

Can I give to RRI through Boys and Girls Missionary Challenge (BGMC) or Light for the Lost (LFTL)?

Yes. Members have three giving options: through BGMC, through LFTL, or through Assemblies of God World Missions (AGWM) direct giving.

How else are members encouraged to support RRI?

In addition to attending the annual meeting (*live or online*) and making a minimum \$5,000/year commitment to RRI, members may consider helping RRI in the following ways: encourage likeminded church or business leaders to join the Cabinet; encourage churches, businesses, or individuals to sponsor RRI monthly; and members are encouraged to ask about traveling overseas to key events with RRI team members to see first hand what is happening around the world through Royal Rangers.

If you have further questions, please don't hesitate to ask.
