The Four Winds

An Exclusive Global Report for Evangelism Force Members

Volume 1, Issue 1

Welcome to **THE FOUR WINDS** quarterly newsletter

Royal Rangers International is a relatively new ministry, founded in mid-2002, and with the Lord's help we have become well established. We can now offer Royal Rangers leaders overseas resources they have never had, like high quality curriculum, leadership development programs and materials, ministry promotional helps, and much more. Our purpose and goal "to seek and to save" the 970 million unsaved boys in the world (and also girls in some regions)!

We hope you will find this publication both informative and inspiring. We want you to be aware of the progress of the Ranger ministry around the world and to understand the challenges we face. We also, with the Lord's help, want to inspire you into action. The RRI missionary team needs your help to partner with leaders around the world and win more children for Christ.

Thank you for being on our side— helping us minister to the needs of boys and girls around the world!

SAL CONFERENCE

(Seminario Actualización Latinoamérica)

ORLANDO, FLORIDA

February 20 – 25, 2006

Royal Rangers International is organizing a historic conference in Orlando, Florida (USA) to introduce program and curriculum changes to all the Royal Ranger national commanders and staff from Latin America and the Caribbean (RRLAC). The goal of these changes is to standardize the Royal Ranger program, encourage greater unity and cooperation among nations using the program, and to reinforce the spiritual essence and vision of the ministry. National Commanders will receive a high quality video or DVD in Spanish to take back to their country and use to train new leaders. Read more about this conference at our website or contact RRI for more details.

Report on Royal Ranger Growth in Singapore

By Chia Eng Kiat, National Commander

— August 2005 —

Royal Rangers is growing tremendously in Singapore. In fact we have a unique development here. Churches are adopting Royal Rangers as their Sunday School curriculum with amazing results. One church saw their Sunday School attendance grow from 80 to 150 kids in only 6 months after starting the Ranger ministry. And the kids are bringing their non-Christian parents to church and the church is experiencing such growth that they have to look for a new building. Now we have many requests by churches to present the Royal Ranger ministry to their leadership. (Note: You can read more reports like this one at our website: www.royalrangersinternational.com)

Partnering with RRI through the RRI “Ready” Evangelism Force

What happens when an opportunity comes along, say, to answer the call of a General Superintendent in Africa who wants to start Royal Rangers “right away?” In one such case, the Superintendent said, “We have innumerable children infected with AIDS or are otherwise living without hope! We want to reach them with Royal Rangers just like they are doing in Kenya.”

In such cases our response is delayed as we raise the funds necessary to help. Evangelism funds are needed to fully equip leaders around the world to determine the eternal destiny of boys. When such calls are received, our answer could be, “Sir, RRI is prepared to help you ‘right away.’”

Your response with a monthly “Faith Promise” will help us rapidly respond to such needs. Today the ministry is growing in 70 nations. Our goal is to build-up in 150 more. Use the information below, or visit our ministry website to contribute. Your participation will lay the foundation of \$12,000 in monthly commitments and allow us to respond the moment God opens doors. Currently, we have reached 11% of this goal.

You can help by making a monthly Faith Promise to RRI

Send your check and a brief note stating this is a Faith Promise to:

Finland

Royal Rangers Finland hosted the second annual Royal Rangers International (RRI) Council meeting early May. In Royal Rangers’ 43-year history there has never been a service and fellowship organization like RRI charged with the duty of coordinating the expansion of Royal Rangers around the world. The result of this strategy speaks for itself. Within the last three years, since founding RRI, Royal Rangers has grown from 56 nations to 70.

Over the last year, we have been challenging our supporters to become “READY” Evangelism Force members—that is, to support RRI at \$35/month to establish Royal Rangers in nations where it does not exist. The efforts are paying off; the funds are fueling growth!

The key agenda item of the May RRI Council meeting in Finland was to deliver the new Royal Rangers Global Curriculum—an economically feasible and adaptable overseas evangelism curriculum. Such a tool has been a huge obstacle to growth. Few nations have the finances or expertise to develop such resources. With this hurdle cleared, nations have begun to translate the materials and adapt them to their context (culture, economy, school system, etc.).

These valuable evangelism resources will result in ministry growth in Europe, and in each of the other overseas regions—Africa, Asia, Eurasia, and Latin America and the Caribbean. Picture it - there are 970 million unsaved boys in the world! Equipped with these resources, the members of the RRI Council have the tools to rescue an every increasing percentage of these boys for Christ.
